Defendant present in custody of United States Marshal with retained counsel.

Initial comments by Court noting a current trial date of March 21, 2022 with a speedy trial timeout of March 23, 2022, and noting Defendant's Unopposed Motion to Continue.

Court inquired of counsel as to the status of discovery. Mr. Barker responded and advised he believes the majority of discovery is complete and that materials is being turned over as received. Further, Mr. Barker advised that the victims have been informed of Defendant's motion to continue the trial into September, that they understand the case is complex and have no objection to a continuance into September.

Mr. Wagley confirmed Mr. Barker's statements and addressed the Court in support of the requested trial continuance and the type of motions the defense anticipates will be filed. The Court noted some alteration to the filing deadlines proposed by the Defendant.

Court GRANTED Defendant's Motion to Continue, making ends of justice findings.
